

We proclaiming Him

admonishing *every man* and
teaching *every man* with
all wisdom, so that we may present
every man complete in Christ.

From then on, Jesus began to tell people, "Turn to God and change the way you think and act, because the kingdom of heaven is near!"

Since Jesus went through everything you're going through and more, learn to think like him. Think of your sufferings as a weaning from that old sinful habit of always expecting to get your own way.

ROMANS 12:2 (NLT)

ROMANS

Don't copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God's will for you, which is good and pleasing and perfect.

The background of the entire image is a photograph of a man and a child walking away from the camera on a beach at sunset. The sun is low on the horizon, creating a bright, golden glow that reflects on the water. The silhouettes of the man and child are dark against the bright sky. The man is on the left, and the child is on the right, holding the man's hand. The overall mood is peaceful and contemplative.

The Spirit you **received** does not make you slaves, so that you live in fear again; rather, the Spirit you **received** brought about your adoption to sonship. And by him we cry, "Abba, Father." ¹⁶ The Spirit himself testifies with our spirit that we are God's children

Therefore Jesus answered and was saying to them, "Truly, truly, I say to you, **the Son** can do nothing of Himself, unless it is something He sees the Father doing; for whatever the Father does, these things **the Son** also does in like manner.

John 5:19 (NASB)

"For apart from me you can do nothing." John 15:5b

A golden bowl is the central focus, sitting on a dark, textured surface. The bowl is empty, and a plume of white steam rises from its center, creating a sense of heat and activity. The background is softly blurred, showing hints of a wooden surface and some dried, fibrous material. The lighting is warm, highlighting the metallic sheen of the bowl's rim and the texture of the steam.
